

**AP FA1 QUESTION PAPERS**

**14A) Class 10 Social Answers**

- 1. The treaty of Versailles**
- 2. Great economic depression across the world**
- 3. Rise of Nazism**
- 4. Failure of league of the nation's**
- 5. Rise of militarism in Germany and Japan.**

**15A)**

- 1. Marxist economists argued that this kind of depression is an essential nature of capitalism and can be got rid of only with the establishment of socialism.**
- 2. J.M. Keynes argued that the state has a crucial role to play in keeping the economy going and if it fails to intervene effectively it can lead to situations of depression. I strongly agree with J.M. Keynes argument. He explained the responsibility of government in such times.**
